

2009 Allegro Bay Product Changes

3 Interiors- Pewter ('08 carry over), Crystal Cove (Green), Java (Tan)

Interior:

- New day/ night shades- Roll ease with pull cords
- Radius shower stalls and doors
- New light package
- New wallboard
- Bedroom ceiling fan is standard
- Rear wardrobe will have automatic lights when doors are opened
- MCD powered windshield and side window shades
- New brand of monitor panel
- Added sleeper to the U-shaped dinette option
- Wooden heat duct registers
- There is a sliding cover which will close off the light and reduce heat from the skylight above the shower
- Newly design mirror on rear wall
- New in dash GPS/ stereo option
- New design tile floor- simulated ceramic design

Exterior:

- New exterior graphics and color choices
- The round antenna which receives digital and analog is now the standard antenna. This will delete the Winegard crank up antenna
- Side swinging compartment doors
- New option- exterior TV mounted in slide out sidewall, like the Phaeton but 26"
- Modified step well and lowered entry door- enables us to use a double step instead of the triple step
- The microwave/ convection ovens will be vented through the outside wall

The 37 DB floor plan has been dropped
